

Go from Calabria to see Sicily with your own guide or driver!

It's easy with **Sicily Guides**, a specialized travel service dedicated exclusively to visitors who require a driver or guide to discover the world's most fascinating island. Especially if you're the kind of traveler who likes to get around and see the sights but doesn't like to drive. It's perfect for anybody who wants to hire a personal, licensed tour guide for a small group, even for week-long excursions to out-of-the-way places. Independent travel is the perfect choice if you want to see Sicily on your own, and it's a choice more travelers make each year, thanks in part to services like ours that make it easy.

If you wish to take a day trip from Gioia Tauro, Reggio Calabria to the following places in Sicily: Catania, Taormina, Milazzo, Cefalù, --- There's a service called Sicily Guides. They have the following vehicles at your disposal...
