

Hand Written Guest Book Comment #10

4-2-05

My husband and I came to Gioia Tauro looking for relatives, up in the near by hills - in the town of San Pietro di Carida.

We found them - Yeah - and spent 3 wonderful days visiting and learning all about the family.

It was great to come back to The Villas for some much needed rest.

We loved the house and met many nice people in this city.
