

Hand Written Guest Book Comment #17

Mrs. Michele,

We have enjoyed our time at Villa Mimma Vittoria. You have done a fine job of renovating the villetta. It is very charming as well as functional. You have thought of everything.

Calabria is beautiful country. We have loved visiting Gerace, Tropea & Sicily among others. Don't miss the bronzes in Reggio Calabria.

Paola was most helpful. She is a doll and loves to practice her English (she does a good job). I'm sure she'll have a successful career in tourism.

Thank you again for helping make our visit to Calabria such a success.
