

Hand Written Guest Book Comment #4

December 8, 2004

We truly enjoyed our stay in
Geia Tauro. The Villetta was
wonderful and most comfortable. Ann
and I enjoyed meeting our neighbors,
the store owners, and participating in
the town's activities. The December 8th
procession was great! Your suggestions
for restaurants and places to visit were
appreciated. We will try to complete
your list another time. Buon Natale,
